

PHẠM XUÂN KIỂM

INTERN DATA SCIENTIST

CONTACT WORK

- 📍 129 Trương Định
Hà Nội
- ✉ phamxuankiem27122001@gmail.com
- ☎ 0865126187
- 👤 Kiem-cmd (Kiem) (github.com)

PERSONAL SKILL

- Can read document in English
- Office computing at a basic level
- Learn quickly

HOBBITES

- Read book
- Play sports
- Listen to music

ACTIVITIES

- collaborator of community library D-Free Book
- Volunteer of the student volunteer team

CARRER OBJECT

Learn more about different framework and technology to become Data Scientist or Machine Learning Engineer

EDUCATION

- Hanoi University of Science and Technology
Computer Engineering
- Four year student - Computer Engineering
- GPA : 3.1

SKILL

Programming language

- Python
- C++ basic

Basic skills learned in university:

- Database & SQL
- Data structure & Algorithm
- OOP
- Computer Vision

Other:

- Data analyst with Numpy , Pandas , Matplotlib
- Algorithm ML, DL basic with scikit-learn, Tensorflow

PROJECT

- Titanic predict survived
- Object Detection using RCNN
- Image Segmentation using Unet
